

## Melwood Plants Database

Last updated May 2019

	A	B	C	D	E	F	G	H	J
1	Species	Common Name	Origin	Location	status	Season	1st Record	Last record	Comments
2	Allium paradoxum	Few-flowered Leek	2 clumps introduced 2009	clearing, section A	flowering well, spring 2010	Spring	2019	2009	scattered clumps spreading
3	Allium ursinum	Ramsons	1 clump +1 plant discovered 2018	clump beneath elms near seat.	Flowering April / May	spring	2018	2019	third plant flowering in 2019
4	Anemone nemorosa	Wood Anemone	introduced Feb. 2013	5 clumps in wood	shooting rhizomes planted	spring	2013	2019	struggling. 2 plants flowered 2019
5	Anthriscus sylvestris	Hedge Parsley	native	wood, mainly A	widespread and abundant	spring flowering perennial	<2009	2019	control measures applied
6	Arum maculatum	Lords-and-Ladies	native	wood and meadow	widespread in shade	spring flowering perennial	<2009	2019	
7	Campanula patula	Spreading bellflower	in meadow seed	meadow	single plant	summer perennial	2007	2008	missing 2009 onwards
8	Campanula trachelium	Nettle-leaved Bellflower	introduced tubers 2007/8 and later	wood and meadow	scattered individuals	summer perennial	2010	2019	rabbit damage at first. Less recently. Flowered 2018
9	Cardamine pratensis	Lady's Smock	natural seed spread?	meadow	1 plant appeared	spring	2013	2013	not clear where seed came from. Absent 2018
10	Carex acutiformis	Pond Sedge							Adjacent pond - not in wood
11	Carex riparia	Great Pond Sedge							Adjacent pond - not in wood
12	Cyclamen hederifolia	Cyclamen	introduced (accidental)?	Wood A4	single plant	autumn flowering perennial	2009	2010	missing 2011
13	Daphne laureola	Spurge laurel	2 plants introduced 2009. More later.	1 east edge meadow. 1 back of A	established spring 2010	spring	2010	2019	About 10 plants wstablished by 2019
14	Eranthis hyemalis	Winter Aconite	Introduced long ago	Back of meadow by ditch	1 main area + scattered singles	Jan - Mar	2009	2019	spreading - 3 patches + singles
15	Galanthus nivalis	Snowdrop	naturalised	Especially wood / meadow margin	well established	early spring bulb	<2009	2019	first blooms 01 Jan
16	Galanthus plicatus	Snowdrop	introduced	wood behind meadow	single clump	later than G. niveus	2009	2019	possible new variety Photos 113 - 118
17	Galium aparine	Goosegrass / cleavers	native	widespread	annual	spring / early summer	<2009	2019	rampant in 2019 - control required
18	Geranium phaeum	Dusky Crane's-bill	4 plants introduced 2009 and more later	scattered in south-west section	flowering where rabbits permit	summer	2010	2019	slowly spreading
19	Geranium pratense	Meadow Crane's-bill	meadow seed	meadow	Scattered , spreading	early summer flowers	2009	2019	becoming too dominant
20	Geranium robertianum	Herb Robert	native	wood, especially A2	widespread and common	perennial, spring, summer	<2009	2019	
21	Glechoma hederacea	Ground Ivy	native	wood section A	everywhere	spring flowering perennial	<2009	2019	
22	Helleborus foetidus	stinking Hellebore	introduced 2010 (2) 2013 (a few)	wood - sections A3 and A4	3 plants flowered 2019	Perennial - early spring	2010	2019	surviving but not spreading
23	Hyacinthoides non-scripta	Bluebell	introduced at various times	scattered in wood section A	scattered - with H.	spring bulb	<2009	2019	rabbit damage in early spring.
24	Iris foetidissima	Stinking Iris	5 plants introduced 2018	wood east side and north.			2018	2019	
25	Iris pseudacorus	Yellow Flag Iris	native & introduced	river banks	local / mature	summer flowering perennial	2010	2019	maintained by river group
26	Leucanthemum vulgare	oxeye Daisy	Seeded into meadow	meadow	declining	perennial - early summer	2006	2018	very few plants surviving
27	Lotus corniculatus	Birds-foot Trefoil	pot plants 2008	meadow	not showing 09	summer perennial	2008	2010	1 plant in bloom 2010. absent 2011
28	Malva moschata	Musk Mallow	meadow seed	meadow	declining	summer perennial	2006	2018	out competed by Field Cranesbill
29	Mercurialis perenne	Dog's Mercury	native	wood - all sections	substantial patches	Perennial - spring flowering	<2009	2019	dominant in many areas
30	Narcissus spp.	Daffodil / narcissus	Introduced	scattered in wood	spring bulb	spring	2009	2013	garden cultivars

## Melwood Plants Database

Last updated May 2019

	A	B	C	D	E	F	G	H	J
31	<i>Narcissus pseudonarcissus</i>	Wild Daffodil	100 bulbs planted 2018	west side of wood	recent introduction yet to establish	spring	2018		
32	<i>Phragmites australis</i>	??							Adjacent pond - not in wood
33	<i>Primula elatior</i>	Oxlip	plug-plants 2006 seedlings 2012	wood - near seat	established, not spreading	spring flowering perenial	2006	2019	1 survivor. All seedlings are hybrid.
34	<i>Primula veris</i>	Cowslip	native + introductions	scattered, mainly meadow	declining	spring flowering perenial	<2009	2019	needs management.
35	<i>Primula vulgaris</i>	Primrose	naturalised or native	scattered in wood	mature + seedlings	spring perenial	<2009	2019	stable
36	<i>Primula x digenea</i>	oxlip x primrose hybrid	amongst plants from Melwood oxlip	2 areas of wood	mature	spring flowering perenial	2013	2019	Plants grown in pots from Melwood Oxlip seed
37	<i>Ranunculus ficaria</i>	Lesser Celandine	native	Meadow	widespread	early spring perenial	<2009	2019	
38	<i>Ranunculus repens</i>	creeping buttercup	native	Meadow	very common	perenial, spring / summe	<2009	2019	
39	<i>Ranunculus sceleratus</i>	Celery-leaved Buttercup	native	ditch behind wood	Established following ditch dredging	early summer perenial	2013	2013	appeared as a result of dredging ditch. Origin?
40	<i>Rumex obtusifolius</i>	Broad-leaved Dock	native	meadow	scattered, common	perenial - summer flower	<2009	2019	
41	<i>Rumex sanguineus</i>	Wood Dock	native	wood section A	occasional	perenial - summer flower	<2009	2012	
42	<i>Trifolium repens</i>	White Clover	Native	Meadow	scattered, common	summer perenial	<2009	2012	
43	<i>Trifolium pratense</i>	Red clover	Potted plants 2008	Meadow	no flowers 2009	summer perenial	2009	2009	no sign 2011
44	<i>Urtica dioica</i>	nettle	native	Meadow and wood	many patches	perenial	<2009	2019	control being exercised
45	<i>Vinca major</i>	greater periwinkle	?				2009		not present?
46	<i>Vinca minor</i>	lesser periwinkle	garden escape	Meadow west margin	large patch	perenial	2009	2019	
47	<i>Viola odorata</i>	sweet violet	?	?			2009	2019	Viola species abundant but not identified
